

EUROSTARS ROMA ÆTERNA

HISTORY & LOCATION

Rome is a 3.000 years vast open air museum, where culture, history and future perfectly merge to let locals and visitors be enchanted by this fantastic destination. Once it was used to say that all roads lead to Rome, to emphasize the centric importance of the city to all the known world. Rome dominated; Rome was dominated. But Rome is still here, that's why the city is called **Roma Æterna**.

HISTORY & LOCATION

Within the historical building that once was Serono Pharmaceutical Company's headquarter, which has been totally refurbished to be converted into an Hotel of high standarding 144 guest rooms and different reception-meeting rooms to fulfill any kind of meeting needs, the Eurostars Roma *Æterna* is set in one of the fast growing quarters of Rome: Pigneto.
